

POSITION AVAILABLE

**Center for Energy Research
University of California, San Diego**

Postdoctoral Researcher in Fusion Technology

The Center for Energy Research is seeking candidates for postdoctoral research in Fusion Technology. A PhD in engineering is preferable but outstanding candidates with a Masters degree will also be considered. We seek candidates with general experience in fusion technology and integrated system design and modeling. Specific expertise in thermo-mechanics, thermo-fluid modeling & analysis and/or material science is highly desirable. Candidates should have strong computer programming ability and be self-motivated to work in challenging areas. The nominal deadline for applications is October 31, 2005, although the search will continue until the position is filled. Applicants should send a copy of their curriculum vitae and the names of 3 references to Dr. René Raffray, 458 EBU-II, Mail Code 0438, UC San Diego, La Jolla, CA 92093-0438, e-mail: raffray@fusion.ucsd.edu. For more information about our group, please visit our web site at <http://aries.ucsd.edu/index.shtml>.
